# Hot Fun in the Summertime

## Philosophy

Carol Matheys Center for Children & Families provides fully-licensed centers dedicated to providing high-quality, affordable child care and early childhood educational programs. We believe that all children are unique with individual development patterns. Each child brings their own style, personality, and background to our programs. All children are given the freedom to express themselves and are encouraged to be independent. We are a 501 3 © non-profit organization. As a participant in the USDA child nutrition program this institution and the USDA are equal opportunity providers and employers.

## Staff

Our staff are chosen for their education, experience and enthusiasm in working with children. All staff are CPR and First Aid certified.
