We at CMCCF would like to wish all our families a Happy and Healthy New Year!

Our commitment for 2022 is to bring the children in our community the highest quality Preschool, Kindergarten and Child Care experience possible. We want to thank you for choosing us to educate and care for your children.

The past few years has been so challenging for all in so many ways. As we have tried to adapt to the new protocols due to Covid we continue to strive to give the children and parents the best experience possible. If you have suggestions please send them to us. We have a new comments section on our website.

Reading with your child daily is an important step in preparing them for Kindergarten and to instill the love of reading.
